# Pulastic® sports floors

## Winners in every category

**Pulastic® sports floors** are developed and manufactured according to strict standards and installed by experts. Descol listens carefully to the wishes and ideas of its customers and closely follows all market developments. Descol looks not only at the user, but also at the owner. Sports facilities need to be multifunctional and cost-effective, suitable for all sports and all sportsmen and -women. Moreover they must be suitable for exhibitions, concerts and other events. Pulastic® is therefore more than just a top quality sports floor.

### Advantages of Pulastic® sports floor systems
